

ABOVE THE FOLD

NEW EXPRESSIONS IN CONTEMPORARY ORIGAMI

Presented by the Longmont Museum

The Longmont Museum presents the international exhibition "Above the Fold", which is large-scale installations of contemporary origami sculpture.

In the hands of nine international artists, what was once considered a children's craft becomes a sophisticated global art form. Paper is transformed into breathtaking sculpture, large-scale origami installations and conceptual works that express contemporary social, political and aesthetic ideas.

Exhibition programs are also scheduled. For details, please visit their website.
