

Under the current border measures, a certificate of negative test result of COVID-19 taken within 72 hours before leaving the country is required. If/when you are fully vaccinated (three shoots or more) this is not necessary. Please see the following site for further instructions.

[COVID-19 Negative Test Result Certificate before Departure](#)

For your reference, it is confirmed that the following list of the test facilities can fill the test result in the particular format that the Ministry of Health, Labour and Welfare requires. Please contact them for further information in test procedures.
